Bob:

How about if you and Howard and I have breakfast tomorrow morning at 7:30? Then we will come back to the office and further prepare with Ayn? I can pick you up at your hotel at 7:20 and bring you to where we will have breakfast, which is a block away from our offices. Does this work for you?

I believe it's around 7 Denver time. Don has the flight schedule and can provide the exact time. Would love to have dinner or breakfast, if dinner is too late.

I heard from API this morning that next week's Pavillion meeting is cancelled. There's no new date at this point. We'll keep you posted on developments.
